Around the Grounds

Facing Villanova for the third time this season and on the back of two earlier defeats the boys knew that their final game of Primary rugby was going to be tough. The improvement in this team from the team that faced Villa in Round 1 has been amazing and they were up for the challenge.

From the outset the front row club of Tate Miles, Atticus Caesar, Lachlan Scanlan and Connor Head dominated. They ran the ball straight and hard, ruled at break-down and won the ball at scrum time. The Hard-working back-five was a back-seven this week and their work was relentless, to play our game plan requires all of these boys to cover massive amount of ground and the did so from the first whistle. Remi Rowland and Oliver Milner got to every breakdown to challenge for the ball, with the ever reliable captain Morgan Elphinston winning countless breakdowns. Ollie Milner played the game of his life and was everywhere, hard-running, support play, tackling and break-downs, outstanding!! Will Hutchinson and Jimmy Travers ran the ball with ferocity at every opportunity and the Villa defence never looked safe. Xavier Hunter and Jake Moule earned their call-ups with tough defence and effort to win every contest.

Charlie Barnett was the orchestrator driving the team around the park and using his running game to catch out the opposition on many occasions. Hamish Pope stepped up to fill the void at #10 and put the forwards through holes all day. The team's inside backs were as unstoppable as ever, Jimmy 'The Jet' Corbett looked to break through every touch and Aston James ran hard and put the wingers into space on multiple occasions, Hutcho's cameo in the back-line nearly paid dividends on multiple occasions with his speed and hard-running difficult to stop.. The fancy boys on the wing were a constant frustration for the opposition, Will Berry and Riley Peatey both using their speed to get on the outside of their opposite numbers and make easy metres. Quinn Mahoney's positional play and running game started to show real potential with incisive runs and shutting down Villa's kicking game.

With Villa scoring with 2-minutes to go the team went down 14 – 15.

As a coach the score doesn't matter. The improvement in this group has been fantastic, from a group of individuals who took the park in a trial against St Laurence's at the start of the season to a team who want to play for each other and with other.
Well done 6As!!

A game where nothing went our way. We were beat at the ruck, had turnovers at crucial times in the game, and were battling against sickness and limited reserves. We finished the game with only 11 players on the field. The boys gave it their all, just like they have done all season. Our last passes weren't sticking, and we couldn't seem to unleash our wingers in the back line. A great season for our boys and unfortunately, we just ran out of steam at the end of the season. Never mind, we go again next year!

The last game of the season has come around all too quickly. The boys were up against the wall today we started with 11 players even after taking two from the Cs. That being said Dom Rowe and Josh Nolan played their absolute hearts out and looked like they should have been there all season! We also had our 9 and 10 combo out who moved up to the As to help them. Harry Nolan and Sam Mellifont stepped up and played out of position and did a fantastic job. The forwards really stuck it to their pack as well and all players Jimmy Sexton, Jack Gallagher, Charlie Davis and James Blinkhoff played with heart and determination. The likes of Joaquin Santana and Owen Ambrose were great around the ball and stole us plenty of possessions. Eddie Davies had his work cut out for him with 11 players and had a sensational defensive game which really kept us in the game. We were unlucky not to come away with a win today but a 17 all draw against a full Iona side with reserves is a mighty fine result well done boys thanks for a great season.

A really good game of rugby from both sides. It was a seesaw affair and with only 1 try in it, the scorecard didn't exactly match the quality of the game. We had no subs which made the 2nd half difficult as our boys were out on their feet. The boys should be proud of a great season! Well done.

A strong first half was attributed to good runs from the boys shrugging off tacklers all around the field. A second-half comeback made Iona look dangerous but was squandered by an intense last-minute try. Well done 5Ds great way to end a great season!
