On the 14th and 15th of October Sacred Heart was putting on a performance of Frozen Jr at Genazzano.

We started off with auditions in term 1. I didn't get anything but I didn't care because I was happy to be a member of the Snow Chorus.

After a few weeks we started rehearsals with Miss Pigatto. We started off with "a little bit of you" then "let it go". Miss Pigatto said she was going to pick 6 girls for the ribbon dance and I was one of them also Issy, Sienna, Lucinda, Celina and Sophia.

When the night came there was this fun bubbly feeling in the room as everyone was excited about the show. I was a bit nervous but I told myself there's no going back now. Our makeup was on and our hair was done and our costumes were beautiful.

After a few more scenes the intermission started and we got a bag of chips and a packet of biscuits.

Next it was “Colder by the minute” which was one of my favourites. “Colder by the minute” was where we formed a circle and ran around whilst dancing.

At the end we all sang the finale. People were still coming on but it looked like everyone was coming back to Arendelle.

After everyone had bowed Mrs Mulhall got a huge bag of flowers and so did Simona Allegra’s mum.

When I was my Mum, Grandma and Grandpa they told me how good I was.

I was very proud but tired. Once I got into the car I FaceTimed my cousin in the car. I think next time we should do Trolls or Charlie and the Chocolate factory.

My favourite bit was getting the amazing feedback about how good I we were.
