## Oatlands Primary School – Your OSHC

Hello again to all our families, it's been another eventful fortnight in Your OSHC!

Children have participated in an Acknowledgement of Country during Reconciliation Week, realising the importance of the Bundarong people, and their lands that we are on.

Children also made cards, posters etc, using dried flowers and leaves, resulting in some creative arrangements.

The children also enjoyed making rockets using the large plastic connector set.

### Rocketeers

Just another reminder to register your children for the Rocketeers program these school holidays. This mission will see the children going to Clip and Climb, and an excursion to Casey Fields for some Commonwealth Games activities.

Also, please note that Friday the 24<sup>th</sup> June is the last day of term. As school will be breaking up early, Your OSHC will be opening early at 2.30pm.

Hope you have enjoyed your Queens Birthday long weekend, and look forward to another fortnight of fun activities with the children.

Saskia and Team.
