## OSHC and what it means to Camp Australia

Outside School Hours Care (OSHC) can be a vitally important program for children and families who need affordable care. OSHC makes it possible for parents to work or attend to other commitments, secure in the knowledge that their children are being cared for by qualified educators in a safe and supportive environment.

All OSHC services must meet the stringent requirements set out in the Education and Care Services National Act and Regulations, as well as the National Quality Standard. This ensures that the OSHC curriculum enhances learning and development outcomes for each child, specifically in relation to their identity, connection with community, wellbeing, confidence as learners and effectiveness as communicators.

But that doesn't mean that every activity or program should be scheduled. Having already spent the day in a classroom, kids need some space to explore their own interests – sports, craft or cooking – rather than being taught more information (unless there's homework your child needs help with!).

At Camp Australia, we know that the time spent at OSHC is a time for possibilities. Every session is guided by the children's interests and reflects their dreams and imagination.

It's a time to form friendships outside their immediate classmates, to grow and learn, or to try something new. All the programs at Camp Australia are offered onsite, so your kids can leave the classroom and be playing soccer, eating a healthy snack or learning how to play a board game within minutes of the bell ringing.

Our program also promotes cooperation, support and respect. The stakes may not feel as high as they do in school. As a result, they may be more willing to try new things or start a conversation.

### Program details

We're here to make Outside School Hours Care the best experience possible for your child.
