The cafeteria can get very busy at certain times of the year, particularly on Fridays.

These are some tips which will help the staff and volunteers in the cafeteria get the Junior School orders packed correctly and delivered on time.

The cafeteria is always in need of volunteers, and any time that you can give will be greatly appreciated.

The students love seeing friends and family at the cafeteria at lunch and recess. Please feel free to call Fi in the front office to organise a time to come and help, or call in to the cafeteria for a coffee and put your name on the roster.

- Please ensure lunch bags are clean, empty, and in good repair, new bags can be purchased from the uniform shop.
- Make sure orders are clear. Whilst we endeavour to fill all lunch orders with requested items, in the case that the ordered item is unavailable, we will replace it with something of similar value.
- Please place money IN EACH INDIVIDUAL BAG. We appreciate the correct money, failing this, please try to avoid sending large notes.
- Any special dietary requirements need to be clearly explained on orders. If you have any concerns, please contact Riana through the front office.

We look forward to seeing you in the cafeteria, have a great year,

Kind Regards,

Riana and Anthea.
