Dear Mr. Howard,

I am writing to you today because I think that the children in Year 3/4 should be allowed to go to camp again in Term Four this year.

I have three main reasons why I think you should allow the students to go to camp again and these are my reasons -

Camp allows students to experience new environments and ideas outside of their normal home environment. This is so important because for the last year and a half we have not been able to experience new environments due to restrictions and increasing lockdowns.

Camp helps to develop students' social skills which is really important because we spend a lot of time on screens instead of taking in all of the beautiful nature outside, and engaging with friends and teachers.

Lastly, camp helps increase environmental awareness to all students. I really love how we can do small things to help our environment and endangered animals.

I strongly believe that this extra experience will both make us happy and give us the opportunity to connect with our friends, teacher and nature. Don't you agree?

Yours faithfully,

Lola Puszkar
