

PEP Talks

Kathy shares her story to give us an insight into why resilience in our own lives and in the lives of those around us and the ability to overcome adversity, is vitally important to making our rapidly changing world a better place to live.

Fighting Back

We can make one of two choices when we are faced with a crisis. We can choose to do nothing, or we can step into empowerment and harness that event to create a movement to make a positive difference.

The Thomas Kelly Youth Foundation is that movement, and over the last five years has initiated a cultural transition from a alcohol driven society, to one that 'Take's Kare' of our people.
