

## **Netball**

On the 23rd of April, 2021, the Galilee netballers (Year 5-6 students), attended their first inter-school sport game. The netball games were hosted at Saint Patrick's Primary School, Murrumbena.

All inter-school sport players stopped their work at around 12:10pm. We then all met at the grass court, to hop on the bus at 12:30pm.

We arrived at Saint Patrick's at about 1:00pm, to start playing our games at 1:30pm.

We warmed up and stretched for a couple of minutes before two of the three netball teams headed onto the netball court. Teams Black and Green played their games first. Team Black started off strong with a few goals in the first and second quarters. Eliza had a great second half scoring 6 goals!

Black team had a few more goals before the timer ran out, and it was a tie. Black team had a great time playing, but now they headed over to watch the green team's game.

The Green Team had a pretty good first half, with the scores going up and up. Daniella scored a few goals each half, but so did Saint Patrick's. Overall the Green Team had a good win by 1 goal and had a great time.

Last but not least, the Maroon Team was the last team to play. Since Saint Patrick's had only two teams, one of their teams that already competed, played the Maroon Team.

The Maroon team had a good start with James scoring 2 goals in the first half, as well as Johnathan. The roles were switched and we now had a few other people participating. Jonathan and Laura worked super hard to get a few extra points with the help of their teammates and they both managed to get a few goals to win by 1 goal!

To summarise the whole day, all the teams had so much fun playing, and they all can't wait until the next games.

## **Footy**

On the 23rd of April, the Galilee football team played against St Patrick's. We went on the bus around 12:30 and we arrived at about 1:00 pm. Mr McLeish had us do a quick warm up before we started, we warmed up our kicking and hand-balling.

The game started with St. Patrick's kicking the first 2 goals but Galilee fought hard and managed to level the scores at the end of the first quarter. Mr McLeish moved people with the magnets on the whiteboard before the 2nd quarter started.

In the following quarters, a lot of the boys scored some epic goals including Aidan kicking a goal from almost 50 meters out, Sebastian kicking a goal from the side pocket, and other people in the team got some nice goals too.

Mr McLeish was really proud of our team work and playing the game fairly. Well done to all the players and thank you to Greg Muir and Mr Hill for helping coach and umpire the game.
