

We would like to acknowledge the traditional custodians of this land. We pay our respects to the elders both past, present and emerging.

Superhero Week

During an exciting first week back at TheirCare Kids unleashed their powers through crafts, games, and stories, embracing bravery and teamwork in caped adventures! Our little heroes enjoyed activities such as designing their own capes, colouring in their favourite superheroes and creating their very own masks. Despite the cold weather we also had some outdoor adventures playing musical statues, basketball and line tiggly.

Beach Week

During Beach Week at TheirCare, Kids explored marine life, created their own seashell artwork, played beach-themed games, and learned about our ocean environments through engaging activities. This week we also had our football clinic run by the TheirCare Titans which was a huge success! The Titans will be returning every Monday for the coming 5 weeks for all the kids to learn some new football skills.

ATTENTION PREP PARENTS + GUARDIANS

As term 2 begins, we will be trialling the preps going to class from BSC and coming to ASC from class by themselves. We ask that you please remind your kids when they have ASC so that they are aware. We will definitely be easing into this process so that the preps are not too overwhelmed and can get into routine. If you have any concerns please do not hesitate to reach out!

If you have any feedback or suggestions please do not hesitate to reach out as we are always open to new ideas! This week, our menu was created collaboratively with our children and we came up with a very delicious selection! The students also enjoy a great selection of healthy fruits and vegetables! Our weekly menu follows Nutrition Australia's guidelines and is created with the children and parents. All cultural needs are considered. Any dietary requirements are to be discussed with the program coordinator.
