### What is an e-resource?

An electronic *resource* requires a computer or electronic device to access the information. *For example eBooks, audiobooks, online newspapers, images, databases as well as digital formats like PDF or Web Pages htm, html, etc...*

### What is an audiobook

An **audiobook** (or *talking book*) is a recording of a text being read. A reading of the complete text is noted as "unabridged", while readings of a reduced version, or abridgement of the text are labelled as "abridged".

Our eBooks and audiobooks can be accessed in two ways:

- Through the Wheelers e-platform
- Online catalogue – when you search the catalogue you will find eBooks and audiobooks interfiled with the print titles.

To access the eBook/Audiobook library click on the ebook image.

**NOTE : If I you sign in to the library using SSO, you will automatically been signed into Wheelers.**

**If you go straight to Wheelers without signing in to the library first, you will have to sign in using your NHS email and Compass password.**

## Clickview – How to access programs

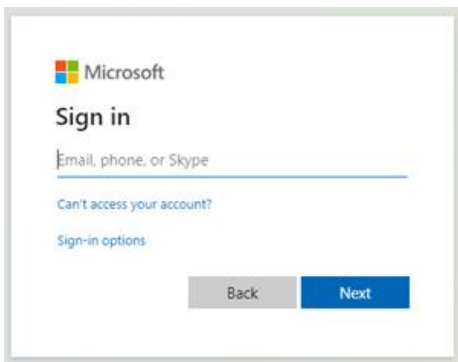

**Clickview** is a video learning application of streamed programs so teachers and students can access curriculum related video material to assist with their studies. Students can access **Clickview anytime on or off site once there is internet access and Compass sign in.**

### 1. Sign into Compass

Select the star menu and choose Clickview from the drop down

### 2. Sign in and save you password

Type in your **NHS email and password**  
**Ex. Compass ID@nhs.vic.edu.au**  
[ABC0001@nhs.vic.edu.au](mailto:ABC0001@nhs.vic.edu.au)

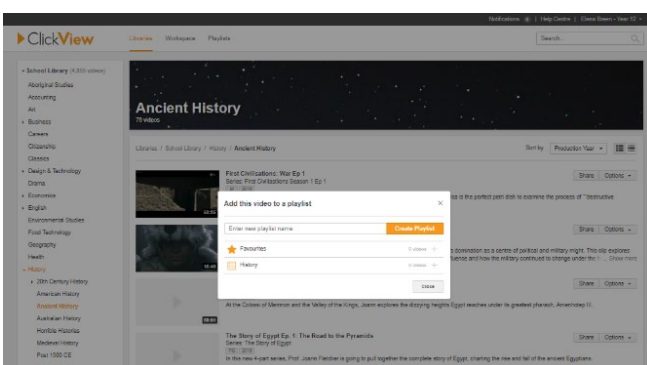

### 3. Clickview front page

**Library** - NHS school library has 5,000+ videos chosen by the teachers, these are organised in the folders on the left. They can also be accessed by clicking on the images with the subject in A – Z order.

**Workspace** - Workspace folders are a fantastic way to organise your personal video content.

**Playlist** - Save you favourite programs or group them in a subject folder

Select **OPTIONS** and then either favourites or set up a folder – in this example a History folder.

You can also share a program with a friend. By emailing the link.

## 4. Finding a program

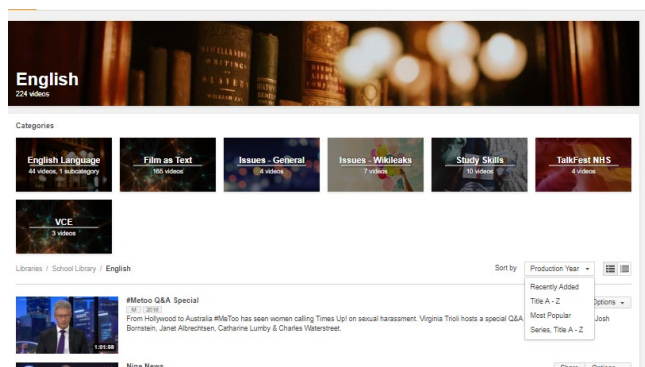

You can find a program in the Clickview library in two ways.

- If you know the title you can type it in the search box on the toolbar from any page.
- If your teacher has told you the program is in a folder you can select the subject folder. Then sort by the options on the drop down menu.

Example : English - there are 7 sub folders in English.

**NOTE: Film as Text is a good example in wider reading**

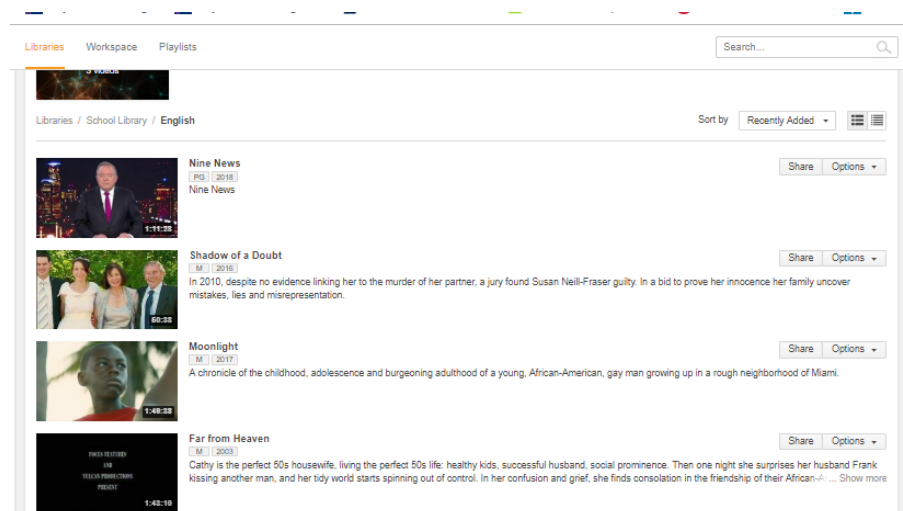

Sort dropdown menu - select from:

- Most recently added
- Title A - Z
- Most popular
- Series A -Z
- Production year

## 5. Program information

Each program has an image, title, length of program, rating, year of publication, short description and some have a series entry.

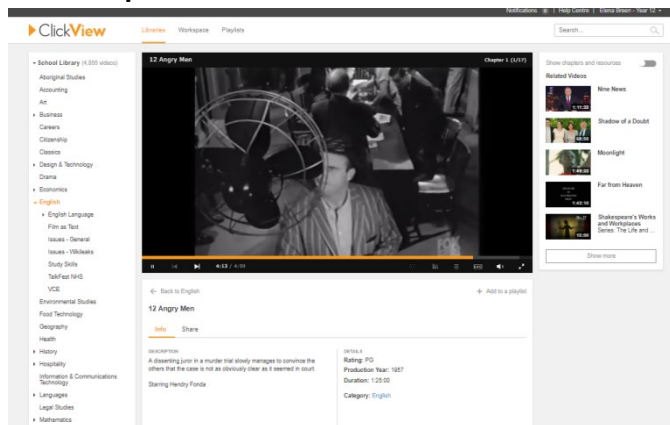

**Program ratings and access is set by year level.**

**E, G, PG - years 7 to 12**

**M, M15+, MA - years 10 to 12**

## 6. To view a program - click on the image or title

Each program has a **list or related videos in the right hand window for further viewing on the topic.**

Below the image is a **description of the content and program information.** You can also **add this program to your playlist** from this screen, or use the back arrow to return to the subject folder.

**Hover your mouse over the bottom of the screen to initiate the toolbar.** To the right of the toolbar you can choose the full screen icon, adjust the image resolution and sound. On the left side is the program viewing control - pause, fast forward or rewind the

program.
