

# DigiHub

FREE EVENT

FRI 28TH MAY 2021 @ THE HUB HAMILTON

## PRIMARY STREAM

SOUTH WEST TAFE

BOOK NOW

**Coding Workshop presented by Paul Dillon, the HIVE Co-ordinator.**

Paul will take students from Primary School ages through all things coding, focusing on skills required for the jobs of the future!

\*Ideally students will bring their own device (laptop or iPad)

DIGIHUB EARLY ACCESS

NO NEED TO BOOK

## DigiHub

**Tinker with drones, 3D printers, virtual reality games and much more**

Students are invited to engage with cutting-edge technology at the DigiHub. With this early access activity session, primary school students will get a chance to enjoy the DigiHub before it opens to the public!

## SECONDARY STREAM

AEL

BOOK NOW

**YEARS 7-9:** Join us to hear all about the exciting world of video games, esports and leveling up your play! You'll have a chance to hear about what you can do in esports, with a focus on commentators. We'll run you through the basics of commentating and you'll even get a chance to try your hand at it with support from one of our professional commentators.

**YEARS 10-12:** Learn more about the world of video games and the esports industry along with career pathways and a technical rundown on how to become a commentator. You'll get a rundown on what it takes to be a commentator, technical overview and you will have an opportunity to try your hand at commentating with guidance from one of our professional commentators.

One Day Studios

BOOK NOW

**Topic:** How characters are made for video games

**Speaker:** Richard Pritchard

Ever wondered how high end game characters are made? With a background in film and game design Richard will share the process of how 3D characters are created

Learn about which software is used and how the latest technology is rapidly changing the way photorealistic characters are made.
