Festival
of Music

Welcome to the Festival of Music!

Whether you are attending your first Festival event, or you have already been part of the audience for *Oliver!*, the *Celebration of Strings*, *Bands Concert* or *VCE Concert*, you are very welcome at this event.

Our rock band program is strong and unique. Students work collaboratively to choose music, develop their skills, make musical decisions and perform together. Sometimes band members come from different year levels or different schools – and sometimes even different campuses! The experience provides students with the opportunity to develop friendships while using and extending the skills they have developed through their music lessons.

Our rock bands perform at a wide range of events throughout the year. Lunchtime concerts are held in most terms, along with assemblies, *Schools Alive* performances and Parents and Friends events. This year, some of our bands have also performed at regional concerts alongside students from other schools.

There was great excitement this week when *Hit by the Sun*, *Dented Ditz* and *Radium* performed at *Battle of the Bands Down Under – The Best of Aussie Music Through the Ages*. Congratulations to *Radium* on winning the Junior Section, and to Jaime, who received an Excellence Award!

Tonight is the highlight of the rock band calendar. All our rock bands will perform, featuring students from Year 5 through to Year 12. We have the opportunity to see our Year 12 students in action for the final time, making this a particularly special occasion.

Of particular note is Josh, who has demonstrated remarkable longevity in the program. His commitment to the long-running *Hit by the Sun*, as well as the more recent *EJPJ*, will be greatly missed.

A special thank you goes to Mr Greg Stone, who has led the rock band program this year with dedication and expertise. We also acknowledge Mr David Bennett for his invaluable support, and Mr Stephen Hornby for his assistance tonight.

We have no doubt that you will enjoy tonight's entertainment and the wonderful energy, talent and enthusiasm of our rock bands.
