Tuesday 29th July
11:00 - 12:30 Leaf Letter Project

In your pack you will receive:
1 watercolour kit, 2 brushes, 3 pieces of watercolour
paper enough to paint 6 leaves.

It's time to take a break from the digital world... The art of letter writing has been lost, this little project will show you how to watercolour paint leaves.

These leaf letters can be used to send to friends or family.

It's sometimes hard to let someone know how much you appreciate their support and care. On the back of your beautifully hand painted leaf in a few simple words you can let them know.
