

Dear Year 6 parents and Carers,

We have reached the end of term one, and what a term it has been! We've been very active, with lots of opportunities for students to be involved in a wide variety of interests and events. It has been wonderful to see the 6s settle so well into the beginning of the year, and make new friendships, take on leadership roles and make the most of everything that comes their way.

We want to say a big thank you to all the parents and guardians out there for another term of support at home. Whether this is helping with school tasks or concepts, or just in the way you are raising them to be kind, thoughtful and considerate young people, it is all noticed and appreciated.

For those of you who are curious about the high school transition process, and we're sure that is most of you, there will be an email sent home by the end of the first week back next term. This email will include the link to access the application form, and also important dates for the process, along with an information pack which will help answer any questions you may have.

Have a wonderful holiday break, and we look forward to hearing all about it when Term 2 commences!

Dates for your diary:
