

To whom it may concern,

**We would like to offer the services and support of Thread Together within your school community for the benefit of your senior students.**

**We would like the opportunity to provide formal wear to Year 11 and 12 students at no cost.**

Our service and support would enable this group of students to feel empowered and dignified in new fashion outfits for their graduation, employment interviews and/or formal engagements.

Thread Together is a mobile wardrobe service new to Wagga Wagga and its surrounding towns. Thread Together is an organisation founded on the values of dignity and hope. It is the only organisation in Australia whose main mission is to source new and excess clothing from fashion retailers and redistribute these items to those in the community who need it most.

Thread Together mobile wardrobe currently has over 20 fashion partners who donate their end-of-line clothing items, tags included. Retailers such as; *Connor, Tarocash, The Iconic, Rivers, City Chic, Crossroads, Vero Moda & Jack Jones*, all donate their clothing items.

Thread Together mobile wardrobe is funded by Commonwealth Bank New South Wales and supported/delivered by Anglicare NSW South, NSW West and ACT in partnership with Thread Together.

Within the next month we hope to provide our service to your students and enable them to feel capable and confident, all through the power of autonomous clothing choice.

If you believe that there are students that will benefit from our support, please contact us on our email [threadtogether@anglicare.com.au](mailto:threadtogether@anglicare.com.au) .

If you believe that a student is in need of immediate assistance and would benefit from our service at short notice, please contact us on our phone number **0437 797 805**.

*We hope to be in contact with you soon.*

Kind Regards,

Bre Camp (Co-Ordinator of Thread Together, Mentor and Volunteer Facilitator)  
& Melissa Fattore (Social Work Student)
