Festival
of Music

Welcome to the second concert in the 2026 Festival of Music concert series.

This year's Festival season features five concerts and two musicals, showcasing the breadth and depth of music-making across our College community.

Throughout the Festival, we anticipate more than 650 individual student performances from Prep to Year 12. The Festival highlights solo and small group performances through to massed instrumental and vocal performances. Behind the scenes, students take on important leadership roles as hosts, technicians and support crew, helping to ensure every performance runs seamlessly.

Tonight's concert is particularly special as it celebrates the remarkable growth of our Band Program over the past twelve months. In Term 4 2025, a Big Band was introduced, that proudly represented the College at South Australia's Generations in Jazz Festival in May. We have also added a Year 9 Jazz Band to our expanding list of ensembles.

Growth has not been limited to our newest groups. Existing ensembles have continued to flourish - it may well be the last year that the title *Little Big Band* accurately describes our junior big band ensemble!

I know you will join me in congratulating our students, their directors, and Mrs Prue Jury, who oversees our ensemble program and has worked tirelessly to prepare another exceptional Festival of Music.

Tonight, I invite you to sit back, relax and enjoy the performances. Thank you for your ongoing support of our young musicians and the vibrant culture of performing arts within our College community.

We warmly encourage you to attend other events in the Festival of Music. Ticket information can be found in this program and through the College's Whispers newsletter.

Warm regards,

Carolyn Hernandez
Head of Performing Arts

Bands in Concert 2026!

Tonight's concert celebrates the energy, versatility and shared experience of making music together in a band. From our newest Year 6 musicians in Burrito Band to our most experienced players, this evening showcases the remarkable growth, dedication and community within the Overnewton band program.

The students performing tonight have worked with persistence, enthusiasm and resilience throughout the year. Weekly rehearsals and individual preparation have shaped the performances you will hear this evening, while also helping students learn to listen across an ensemble, balance and blend their sound, respond to one another and share responsibility as musicians.

One of the great strengths of our band program is the breadth of musical experiences it offers. Tonight's concert traces a journey from the foundations of ensemble playing through to the colour, precision and expressive freedom of our senior concert and jazz ensembles. We are especially delighted to welcome Big Band and Year 9 Jazz Band to the Festival of Music stage for the first time.

Earlier this year, Jazz Band and Big Band travelled to Mount Gambier to participate in Generations in Jazz, joining young musicians from across Australia in a celebration of jazz performance and education. Gravity and Symphonic Bands have also represented the school at the Victorian School Music Festival, and later this year Burrito Band will do the same. Tonight allows us to celebrate these achievements and share the vibrant work taking place each week in our rehearsal rooms.

Thank you to our dedicated band staff, student leaders and families whose encouragement and support make these opportunities possible. Most importantly, thank you to our students, whose enthusiasm, commitment and love of music continue to shape the distinctive spirit of the Overnewton band community. We hope you enjoy **Bands in Concert 2026**.
