

St Raphael's Primary School

School Building Fund

Tax Deductible Contributions

We are pleased to advise that voluntary tax deductible donations can now be made to the school via the St Raphael's Primary School Building Fund. This is a new process starting in 2017.

The St Raphael's Primary School Building Fund was established by the St Raphael's School Education Board [SEB] in 2016. This fund was established in recognition of the continuing role parents, school alumni and local business can play in the development of our school.

The fund is registered with the Australian Taxation Office as a Deductible Gift Recipient. All donations over \$2.00 are tax deductible.

Currently, the SEB operates a fundraising account which holds monies collected from all fundraising events and activities throughout the year. During the given year money from this account is distributed, as required to various projects within the school (such as IT development and the Kitchen Garden project).

All contributions to the newly established St Raphael's Primary School Building Fund will allow the school to focus on specific major projects that will enhance the school for our children and future generations. In 2017/18 all donations to this account will go toward financing the construction and redevelopment of the schools' Outdoor Learning Area. Information regarding this project featured in the most recent school newsletter.

School families, the parish community, businesses and other interested parties are able to contribute monetary gifts or donations to the School Building Fund. These Funds have been used to great effect throughout many schools both nationally and within Victoria over many years.

All donations to the School Building Fund will be greatly valued and all contributions are gratefully accepted.

Kind Regards,

The School Education Board [SEB]

A **tax-deductible** receipt will be issued with each contribution made.
