

Senior School

1st April, 2019

Dear Parent/s,

Each term teachers plan, activities that enrich the learning experience for students. These activities incur a cost. Apart from extra-curricular activities such as Camps and Swimming it is expected that these will be the only curriculum costs for families this term.

In Term 2 your child will be participating in:

- Winter Interschool sport
- Whole school Cross country 2nd May
- Whole school Athletics Day 6th May
- Production in Term 3- 20th September

Please find below the Term Two payment slip for enrichment activities for your child's class.

We have introduced the option to make payments via Sentral. This is a convenient way to make a single payment for your child's activities. If you require the ability to use an alternative payment method please contact the office. To make the payment via Sentral from the Home Page you will need to use a credit card. You will see:

The screenshot shows a 'Payment required' notification for 'Term 2 Junior Termly Activity Payment' with a price of \$30.00 per student. It includes a description of activities and a list of students. To the right is a 'Confirm Legal Name & Email' form with fields for Legal First Name, Legal Surname, and Legal Email, and a 'Confirm' button. Arrows point to the 'View Details' link and the 'Go to payments' button.

Thank you for your cooperation.
