MARIST COLLEGE vs ATC, SPLC and Villa – Saturday, 4 June 2022

6A

In what was the only the second competitive game of the season for the 6As, a dominant first half performance showed what a great season we have missed and what potential these young men have.

The attack in the first half was near faultless, with both the forwards and the backs following the game plan; “tough it out through the middle and then let the ball sing!” The forwards led the scoring early after some great phase play led to Finn McKinnon and Nick Osborn barging over for tries. The “fancy boys” in the back line were not to be outdone with great running rugby tries for Tex Higginbotham and Stirling McDonald. Shea Caminiti completed the half with a great pilfer, followed by a 60m run to the line.

6B

After the past few weeks of missing rugby due to the rain, the boys were excited to return to their Saturday fixtures. On arriving at St Peter’s, we were informed that the opposition team had a few injuries. In the true Marist spirit, a number of our boys helped out the opposition team by playing for St Peter’s. Marist College

Ashgrove played well from the start and were dominant in both halves, continuing an unbeaten season to date, winning 35-0.

6C

The 6Cs took on the MCA 6Ds on Saturday morning. The boys from both sides were eager to play against their mates and show who is the better side. The early exchanges were tough with some solid phases on show. The Cs got into the groove after the early grind, with some silky attack leaving the final score 45-7.

6D

The mighty 6Ds marched onto the field with grit and determination on a cold Saturday morning, with only one goal in mind; "to play some quality footy". The result didn't do the game justice with the 6Cs putting on 45 points to our 7. With some great defence from all and a good fight on offence the boys managed to get Will Broughton over the line in the last minutes of the game. Once the ref blew the final whistle both teams joined together for a war cry. In the end Marist College Ashgrove and the game of footy was the winner.

5A

The 5As were champing at the bit to take the field after a longer than expected mid-season break. A little rusty at first, the team found momentum through controlling possession and supporting their big ball runners up the middle. Connor Head barged over to open the scoring and things really took off when Jimmy "The Jet" Corbett found himself in space. ATC hit back before the break, however, giving our boys a lesson in the importance of ball security and spreading out in defence.

George Player showed some wonderful footwork in the second half, consistently diffusing any pressure the ATC kickers tried to build. Our bullocking forwards swung the possession back in our favour and the class and precision of the Hamish Pope-Charlie Barnett-Will Hutchinson trifecta became too much for ATC to contain. It was a good performance but this team has another gear they can go to. Much like Ballymore itself, they are building towards something special that I'm sure we'll all be excited to follow in the years to come.

5B

All of the boys were very excited to take the field. Aiden Broadbent had a ripper man of the match effort after setting the tone from the beginning with a 40 m break off a line out steal. There were a few boys who scored multiple tries. The Schisas twins both lined up and came out firing, finding the line in a convincing win over ATC. Well done to all the boys.

5C / 5D

In an effort to ensure that all MCA teams had matches the 5Cs and 5Ds had an enormous 'round robin' style tournament for their first games back. Special commendation goes to the 5Ds for playing the Villa 5Cs and giving it their all. Shout out to Grayson Di Sipio for making at least 20 metres every time he touched the ball and to Fletcher Maddox for captaining the 5Ds through a tough game with strength and humility.

MARIST COLLEGE vs St Peter’s Lutheran College – Saturday, 4 June 2022

6A

A comprehensive win for the 6As against SPLC on Saturday. The boys controlled the game from the outset with some slick passing and great movement off the ball to create a number of goal scoring opportunities which were converted to lead 4-0 at half time. Only one concentration lapse allowed SPLC to score their only goal of the game and any opportunity they had after that Christian Manning shut down. The onslaught continued as the score finished 8-1 to Marist.

6B

After a few weeks off the pitch due to the weather, we were finally able to complete a full week of training and get another AIC game in. We faced St Peter's with a side which needed support with players from the C team as a result of illness and injury. Despite these setbacks MCA were able to put on a dominant performance, coming away with a 9-0 victory which maintains our undefeated recorded going into the final game of the season.

6C

Two boys from the 6Cs played with the 6 Gold team due to a lack of numbers at the beginning of the match. The 6Cs got off to a firing start, scoring a cracker of a goal to hand them an early 1-0 lead. It was during half time that the two boys who had been filling-in for the 6Cs were swapped with two other boys. Five minutes into the second half, Darcy Frazier scored a stunning goal to tie-op the scores. Liam Inglis then scored a top-notch goal, with the Gold team now ahead 2 goals to 1. Minutes later, Cooper Norlander scored a fantastic goal to level the scores. However, not long after that goal, Ewan Cahill scored another and the whistle sounded with the 6Cs coming away with the victory 3-2.

Darcy Frazier and Vinnie Heenan

6 Gold

The 6 Gold boys put a stunning performance against the 6C team on Friday afternoon. It was a nail-biting game with goals being scored in turns between the two teams, however unfortunately 6 Gold conceded a late goal to end the game 3-2 in favour of 6Cs. Thanks to all the boys who showed up and the boys from the 6Cs that filled in the empty spots of our team and even helped us score a goal against their own team.

6 White

A game played in great spirit between two Marist teams on a Friday afternoon down at the Flats. Is there a better way to start the weekend? MVP Felix Law had a great game in both attack and defence. Sneaking down into defence from the striker position and stealing the ball from behind the player, as well as sending some great passes to teammates in the attacking end. James Burt scored his first goal of the season with a cracker of a kick ... and then promptly followed up with goal number two. Chris Hartfiel worked really hard, particularly in defence making it very hard for the opposition to score. And finally, Alexander McKay again showed his finesse in attack, scoring our other two goals, one over the top of the opposition wall.

MVP: Felix Law

5A

The 5A footballers played St Peter's and were dominant in both halves to win 3-0. In atrocious, wet and muddy conditions our boys produced their best game of the season to control possession and field position. Only the water puddles and mud patches prevented our boys extending the score line. Credit to our always humble goalkeeper, Pedro Chadud, as the ball rarely made its way to our goal. Strong games from Patty Garton and Oliver Imlay helped our boys play well as a team. Well done to all boys.

5B

In the mud the boys got off to a flying start and just didn't stop. A clinical effort saw the boys take home a 9-0 win to remain undefeated. Rafael Marufu was everywhere in a player of the match performance

5C

Even though we played with one less player for most of the game and under testing muddy conditions the 5Cs continued their unbeaten run with a convincing 3-0 win. A great performance by the St Peter's keeper prevented a larger score that would've reflected the Marist team's dominance.

5 Gold

5 White

The boys had a tough match against Padua on the weekend with a final score of 10-6. With Padua turning up with only 3 players and MCA only having 7 players a quarter field 5-on-5 game was played, with two MCA boys joining the opposition. They should be proud of the efforts and sportsmanship displayed.
