## Around the Grounds

### 6A

Round 4 Old Boys Day wasn't quite what the 6A boys were hoping for with two early goals by Laurie's one a bicycle kick and the other an own goal. After going 2 goals down early we got one back to make it 2:1 with a goal from Jimmy then it went downhill from there ending 5:1. A performance the team hopes to rectify and turn around in the second half of the season

### 6B

Old Boys Day was a big day for the boys against a strong St Laurence's side. Energy from kick off was noticeable within the group as they knew they needed a win. Raphael continued his goal scoring form with a fine finish early in the first half after some tremendous teamwork. Laurie's always looked in it though with their team demonstrating some great work off and on the ball. But it wasn't enough with our boys dominating on the counter and finishing off a great team goal courtesy of Alex. The second half may have seen no change in the score line but did provide some nail-biting moments with both teams going close several times. Cool hands by Kingston in goals sealed the win for the boys on a great morning.

### 6C

The 6Cs just played their toughest opposition of the year, with a strong St. Lawrence's team travelling to Ashgrove.

The match started with a quick tempo, with excellent back-to-back diving saves from the Laurie's keeper kept us out in cagey affair. St. Laurence's responded with some dangerous attacks of their own; however, Joe and Geordie were pivotal in stopping any opposition attacks, resulting in a 0-0 halftime score.

Early in the second half. Harvey made a goal-line save, diving on a close shot to keep the scores level. The only breakthrough in the game came from some individual brilliance by Eddie, who got on the end of the clearance, beat his man and powered in a longshot above the keeper.

St. Laurence's responded through a period of sustained pressure. The heroics of Harvey in goals, as well as Joe, Noah and Geordie in defence stopped numerous attacks by Lawries, helping us to keep a narrow 1-0 scoreline.

I am proud of every boys' commitment, effort and conduct today, especially after we got the winning goal. Whilst all boys played exceptionally today, Eddie's individual brilliance for his goal was what separate two evenly matched sides; therefore, here is our man of the match today.

#### 6 Blue

A great 3-2 win today for the 6 Blue lads against a competitive Villanova team. Man of the match Andre Dua was fantastic with a great pass assist to Luca for one goal and a sweet flick off the side of his foot to score a second himself. Fellow MVP Axel Ensor was brilliant all-round the field today. His tackles and passing both on point.

At training this week we worked on our one-to-one tackling. The lads put this into great practice on the field today standing up strong against the opposition and winning the ball over and over again. Henry Gilbert and Harrison Patrick are two of many who stepped up this week in this regard. It was so good to see.

Let's keep working hard at training lads. And having fun each week.

### **6 Gold**

What a battle! Despite giving everything on the pitch, luck simply wasn't on 6 Gold's side today. Sam Herrera was an absolute force in the midfield — relentless in his pursuit of the ball, winning every duel and keeping possession with composure beyond his years. Up front, Max Hammon was brilliant, causing chaos with his movement and sharp instincts — but the opposition keeper was in inspired form, pulling off save after save. Meanwhile, our backline was rock solid, marshalling Iona superbly and keeping them scoreless. Unlucky to come away with only a draw — but next week, that win is ours!

### **5A**

The 5As put in a hard-fought performance against St Laurence's College in a scrappy contest where clear attacking opportunities were difficult to create for both sides. The match was largely played through the middle of the park, with both teams struggling to consistently move the ball into dangerous attacking areas and establish sustained periods of pressure.

Despite showing solid defensive structure and effort throughout the game, the side was unable to find the clinical edge needed in front of goal to secure the win. Several promising moments went unfinished, ultimately leaving the result up for grabs deep into the second half.

Man of the Match honours went to Lachlan Bradford, whose performance in goal proved crucial. Lachlan produced multiple outstanding saves in the second half to keep the team in the contest, showing strong composure and shot-stopping ability under pressure. His efforts were a major factor in ensuring the side remained competitive until the final whistle.

### **5B**

The 5Bs earned a hard-fought 2-1 victory today after a tightly contested first half saw the teams head into halftime locked at 0-0. The boys came out strong in the second half, with Grayson opening the scoring with a great goal before St. Laurie's found an equaliser. Phoenix then sealed the win with a brilliant finish off an amazing assist from George, capping off a well-deserved team performance.

### **5C**

Dominant display from the 5Cs against a spirited but not as strong Laurie's team. What I valued about our game was that at no point the boys stopped playing their best as a team. In games like this, there is a chance boys would try to score their own super goal and stop playing as a team. The never did that, they never disrespected the opposition and played a dominant game from the first minute to the last

## 5D

The boys put on a dominant display for the second week in a row, building into the season well and working hard for each other. We started strong with an early few goals before getting into an arm wrestle, eventually coming out on top with a couple more goals before half time. We took this energy into the second half, continuing to build our lead and maintaining a clean sheet by working hard for each other in both attack and defence.

## 5 Blue

Marist 5 Blue dominated St Laurence's 5F 15-1, with goals flowing all game thanks to the boys' excellent chemistry, sharp passing, and unstoppable team spirit on the field.

## 5 Gold

Marist 5 Gold endured a difficult afternoon, going down 4-1 to a well-drilled Iona side that proved sharper and more composed across the park. While Marist have shown strong intensity and cohesion in recent weeks, this performance lacked the same energy and urgency that had become a hallmark of their play.

From the outset, Iona asserted control, demonstrating superior possession and disciplined positioning. Their ability to retain the ball and move it with purpose consistently put Marist on the back foot. In contrast, Marist struggled to build sustained passages of play, often losing possession under pressure and finding it difficult to transition effectively from defence to attack.

Despite the result, there were still individual efforts worthy of recognition. Theo Sly earned Man of the Match honours for his determined contribution, particularly his repeated attempts to improve field position with strong down-the-line kicks. His willingness to keep pushing forward and create opportunities provided a bright spot in an otherwise challenging game for Marist.

Marist managed a single goal but overall found it difficult to penetrate Iona's defensive setup. With lessons to take from the match—especially regarding maintaining intensity, improving possession, and tightening positioning—the team will look to regroup and return to the form they have shown in earlier fixtures. A tough loss, but an opportunity to refocus and come back stronger next week.
