We are making a book of messages for Father Grace, and whatever you write will be bound into it in your own hand. The book will be presented to him once all the tributes are in. *You might write about a moment you remember, something he said that stayed with you, a baptism, wedding or funeral he took for your family — or simply a prayer for the years ahead. A few lines are as welcome as a full page.*

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and extend across the width of the page. There are no margins, text, or other markings on the paper.

Please write your tribute as soon as you can, so the book can be finished. If you need more room, simply carry on onto another sheet of paper and send it in with this page. Please use a dark pen and stay inside the lines: the pages will be scanned. One sheet per family for the RSVP alongside — if someone else would like to write a tribute too, please use another sheet.
