Hub Happenings

Term 1 - 2020

"Knowledge is power, Community is strength and Positive attitude is everything"

New to the Hub in 2020.....

Healthier Hastings

We are going to be running a new program here at the Hastings Community Hub in 2020 . Healthier Hastings will offer a variety of taster programs to the community in most instances FREE or at a VERY small cost. Our goal is to provide the community with the opportunity to experience activities they may not be able to access otherwise.

We are hoping to commence the program with a women's self defence course in late Feb/early March. This will be open to ages 13yr and up. Perfect for Mums and daughters, sisters, friends, work colleagues. Further information in the very near future :-)

What programs/activities would YOU like to see happening at the Hub? Yoga, mindfulness, craft, art, singing? Please contact us if you have an idea for a program the community would benefit from or even if you are a business that would like to help and perhaps run a taster program at the hub.

Please contact Bek our events coordinator on;

Justice
and Community
Safety

The **Work and Development Permit (WDP)** scheme provides vulnerable people with a non-financial option to deal with their fines (infringements) debt.

If you are suffering from acute financial hardship, family violence, homelessness, mental health issues and or addiction you may be able to work off your fines. This is possible through the scheme by completing activities and/or treatments that can help you to address the cause of your offending behaviour.

Advance Community College is an approved sponsor for the WPD Scheme.

For further information and to check your eligibility contact the WDP team on: 1300 323483
