

# Understanding Apprenticeships & Traineeships

Free information evening for Students and Parents

Did you know that Australian Apprenticeships and Traineeships can lead to some amazing careers in over 500 different job areas?

Proudly supported by the Eastern Metropolitan Partnership, local employers and TAFE, OELLEN is holding a free information session for young people looking for alternative pathways to great jobs for the future.

Join us to hear about Apprenticeships, Traineeships and TAFE pathways from a range of industry and vocational training experts.

- What is an Apprenticeship or Traineeship?
- What are the advantages and current supports?
- What industry choices are available?
- How do I apply?

## SKILLS for the FUTURE

- Projected job growth areas
- Industry trends and employer expectations
- Real-Life success stories from young people
