- Great interactive night. Very informative and inclusive of all students and parents. One of the best information nights we have attended. Thank you for making our decision easier! 😊
- Well done
- The student tour guides were fabulous, particularly Jordan, who initiated conversations with the kids and represented the school really well.
- Good experience on school tour!!
- Please have vegan samples in home ec. Difficult to hear tour guides on tour slides during intro with pictures would help.
- Great experience and chance to see the school. The tour guides were great.
- Personally I really liked it but what I think is the tour guides should tell us where everything is eg. toilets and more and tell some back story and allow us to explore that as well. PS I liked winning a mentos pack and a highlighter 😊
- Very fun. And I love that they provided activities for children. (And sausage rolls were delicious!)
- We enjoyed the teachers introducing some learning areas, as they have greater insight into the whole learning journey and school approach than the students. Nice to engage the students but the spiel read out was generic and hard to hear.

- Mordialloc is a very cool school. Also, the tour made me feel like I'm in high school already. Can't wait to come here next year, and have an awesome time.

- Not long enough spent at each stop/classroom. Runs quite late/long. Not enough stickers. Tour guides REALLY good.
- Great night, well done to all the students and staff. Can't wait to continue our experience with Mordy College with our year 6 daughter.

- It was interesting to hear the students and Principal talk about the school.
- Brilliant school with great facilities.
- Terrific!
- Would've liked to have seen a performance in drama/music. Why is the library so poorly resourced? Literacy; reading for pleasure doesn't seem to be supported at this school. Otherwise very impressive.
- It was fantastic.
- All of the students and teachers were amazing and really nice, and the food was awesome. We love all of the students work.
- Thank you for having and organising the open night. We found the activities and stations very informative and fun. Well organised event! Great to have parking!
