Child Safety Policy - Child Version

SACRED HEART SCHOOL
TATURA

STRENGTH THROUGH FAITH & LOVE

All children have the right to feel safe and to be safe all of the time

At Sacred Heart, everyone has the right to feel safe and to be safe all of the time.

Our school will do anything to keep children safe. The school helps and looks after all students; in all year levels, children with different backgrounds and different beliefs. The teachers and staff have many ways to keep us safe.

The teachers have committed to keeping all children safe and know what to do if a student feels unsafe.

The school does not stand for any bullying or any behaviour that makes someone else feel unsafe.

There is a Code of Conduct that tells the staff, parents, caregivers and volunteers how to behave and how to keep all children safe.

At Sacred Heart, all children have the right to:

- Be treated fairly no matter what

- Learn and play

- Live and grow up healthy

- Their own privacy

- Be safe at all times, no matter where they are

- Help and protection if they need it

- Be cared for

- Have a say about decisions that affect them
