

**314 Australian Army Cadets** is a proposed **NEW COMMUNITY BASED UNIT** to be established in Hamilton, Victoria.

We are seeking **Expressions of Interest (EOI)** from potential Cadets and their families for a possible 2021 stand-up.

A **COMMUNITY BASED UNIT** is open to all people between the ages of 13-17 inclusive and is not school affiliated.

It is planned that the Unit will Parade once per week during school terms. Initial thoughts are to have this take place after school from approx 4.15pm (1615) - 7.30pm (1930) on a night to be decided with weekend bivouacs each term and a 7-day Annual exercise at Puckapunyal.

Location will be within the Hamilton township and within a short walking distance of most schools.

Timings will be considered to maximise opportunity to attend and after discussions following EOI consultation.
