Staying at School??

Provision is made for Middle school students who live too far away to be able to go home and get back again in time for the evening performances. Those students will be supervised and can order and pay for their dinner (by recess on the day using the lunch order system) from the cafe. Students need to return the supervision letter, signed by a parent, so we can ascertain numbers. See Compass/School resources/miscellaneous/Wizard of Oz/Supervision letter.

(Students are welcome to bring their own dinner and use the canteen microwaves for reheating)
