

35th Annual Frankston Community Appeal

Help Us Help Others

For 35 years, the Frankston community has come together through the Community Appeal to make sure no one is left behind at Christmas. What began as a small local initiative has grown into a truly remarkable community tradition – one that brings hope, dignity and joy to thousands of local people doing it tough.

This year, we're preparing **more than 1,300 festive hamper bags**, each filled with nourishing seasonal foods, grocery vouchers and toys for children. These hampers go directly to families, couples and individuals who are struggling with the increasing cost of living and housing pressures. For many, it's the only moment of light in an otherwise challenging time.

The strength of this Appeal has always been the generosity of people like you. Local businesses, schools, organisations and caring individuals rally together – **donating cash, food or toys** – to ensure that every bag is packed with kindness and delivered with respect.

As demand grows, so too does the need for community support. This year, more families than ever will be reaching out for help. **Your donation can make a real and immediate difference** – whether it's a financial contribution, non-perishable festive food, or a gift to bring a child joy on Christmas morning.

Every contribution, large or small, helps us create a season of hope. Together, we can make sure our community feels seen, supported and cared for this Christmas.

To donate, please visit www.frankston.net/appeal (click link) or contact us at csf@frankston.net – every gift helps. All monetary donations over \$2 are tax deductible and a receipt will be issued.

We would be more than happy to chat with any group, individual or business that's looking to find out more about the appeal and how you can get involved with assisting some of Frankston's most financially disadvantaged families.

Thank you for being part of this incredible 35-year legacy of compassion.

Best regards,

Steve Phillips - Manager
Community Support Frankston
