

nMeet

Setting up a meeting

Many schools use PTO to set up their parent teacher interviews and any other meetings. Instead of having to use multiple programs, our parent portal has nMeet. This is where schools can create their meetings and you can respond. It is a very efficient, user-friendly process. You simply need to select your desired session and book in an available time slot. Ensure to always read the name of the meeting in case the nMeet has multiple day options.

Select the child, the nMeet tile and the day you would like to attend. Choose a time slot and confirm.
