

We would like to acknowledge the traditional custodians of this land. We pay our respects to the elders both past, present and emerging.

#### FANTASY WEEK

Fantasy Week at TheirCare enchanted children with its array of magical activities and captivating storytelling. From mythical creatures to epic quests, each day was a journey into fantastical realms of adventure and wonder. The kids had a blast doing a range of activities such as colouring, creating wands and swords and dragon origami.

#### WIZARD WEEK

TheirCare's Wizard Week whisked children away into a world of spellbinding magic and wizardry. Crafting spells, concocting potions, and deciphering ancient runes filled their days. Through a range of activities such as broomstick races, paper plate owls and wizardry wordsearches the children unlocked the secrets of magic, leaving them enchanted and inspired.

If you have any feedback or suggestions please do not hesitate to reach out as we are always open to new ideas! This week, our menu was created collaboratively with our children and we came up with a very delicious selection! The students also enjoy a great selection of healthy fruits and vegetables! Our weekly menu follows Nutrition Australia's guidelines and is created with the children and parents. All cultural needs are considered. Any dietary requirements are to be discussed with the program coordinator.
