

Amari and the Night Brothers by B.B. Alston

Call Number: F ALS

Review by Esther Ridge (46M)

“Amari Peters knows three things. Her brother Quinton has gone missing. No one will talk about it.

His mysterious job holds a clue...”

Plot

The plot is that Amari is trying to find her brother and on the way discovers a magical world. There is a twist [spoiler removed]. And I found the plot very interesting.

Favourite part

My favourite part was when she discovered the world because she put in a lot of details.

Who are the main characters?

The main characters are Amari, Elsie, her room mate and Dylan her partner.

Did you enjoy the book? Would you change it?

I enjoyed the book and wouldn't change it.

Were there any parts that made you laugh or scared?

There were several parts that did both.

Did the story have a moral? Have you learned anything from the book?

I think that the moral is to never give up hope and I learnt to never give up.

Would you recommend the book to a friend?

I would recommend it because I really enjoyed reading it.

Final opinion

I really like this book. It has lots of twists and unexpected things. It is also fantasy and my favourite genre is fantasy.
