

# Lock in your career now and start in January!

Everyone: So, what are you going to do with your life?  
You: \*eyeroll!

If you're tired of not having an answer to this question, we've got great news.

**YOU'RE INVITED** to an information evening to hear about our exciting range of apprentice and trainee pathway programs for school students. **If you're 15 or older, now is an ideal time to start making plans for your future.**

Starting your VET pathway with AGA while you're at school gives you a head start on an apprenticeship or traineeship when you leave.

Come along with your parent or guardian and tour our state-of-the-art training centre, and discover how AGA can help you get started in automotive, carpentry, electrical or plumbing.

As Victoria's leading Group Training Organisation (GTO), we employ apprentices and trainees directly and support them and their employer throughout their training and beyond.

**9th August 2023 | 6:00pm to 7:00pm**
