Size information

You won't find any confusing size variations at LW Reid. We all come in different shapes, but with a few simple measurements you'll find it couldn't be easier to pick the right size. While many manufacturers tell you the size of the clothes, not the size of the body they're designed for, all our clothes are designed to fit the measurements shown here.

We've accounted for a comfortable fit in all our sizes – so if you have a 68cm chest, you're a Size 8 right across our range. We've made sure our Size 8 jackets can be worn comfortably over a Size 8 polo, shirt or dress, so there's no need for you to worry about how much larger the jacket should be to account for the layers underneath
