

February 2023

Dear Parents/Carers,

You daughter has expressed an interest in playing soccer in the first ever under 12's all girls competition in Tamworth.

Please sign and return the below expression of interest if you would like your daughter to play soccer this year. If we have enough interest our school will support families in registering a team through the local club:

Community sport relies heavily on the support of parent volunteers and if you are interested in helping coach or manage a team, please indicate below. We would love your support.

More information about registration to follow.

Regards,
