

THE CONOCOPHILLIPS  
**SCIENCE EXPERIENCE  
BALLARAT**

**FEDERATION  
UNIVERSITY**

MT HELEN CAMPUS BALLARAT

Monday 27 June –  
Wednesday 29 June 2016

For detail and to apply visit  
[www.scienceexperience.com.au](http://www.scienceexperience.com.au)

Registrations close on 13 June

**Spend three fascinating days exploring your passion for STEM (Science, Technology, Engineering and Maths) under the expert guidance of FedUni scientists and students.**

Make new friends who share your love of all things scientific, find out about rewarding career opportunities and experience life on our beautiful Mount Helen campus. Our program will engage, challenge and motivate you with state-of-the-art Labs, industry site visits, field trips, and research mini-lectures.

Details of the Science Experience program change each year but whether it's an activity in forensic chemistry, geospatial science, botany, robotics, engineering proposals or designing computer graphics, you will use your knowledge, curiosity, ingenuity, team-work, communication and planning skills to think, act and explore the world as a STEM professional. What more could a young scientist want?

The Ballarat Conoco-Phillips Science Experience is targeted at Year 10 students. On-campus accommodation is available at an additional cost.

## The ConocoPhillips Science Experience Federation University Ballarat

### What previous TSE students thought .....

- I think The Science Experience was fantastic!  
Everyone (kids and teachers alike) were so nice!*

- It should have gone for longer*
- Having uni students [help run the activities] was good, and helped us get a perspective of university from the students' point of view.*

- The Science Experience was awesome and I would do it all again.*

- It is a good experience that is totally 100% worth it. I would do it all again in a heartbeat.*

- I enjoyed the experience....  
I have met some great new people  
and will keep in contact with a  
couple of them.*

- I loved TSE – I didn't know it would be this good!*
- TSE was AWESOME*

- It should go for longer – I'd have attended for the rest of the week, if not all the holidays.*

- The Science Experience was amazing  
and I want to do it next year except that next  
year I am in year 11 so won't be able to. ☹*
