<b>Assessment criteria</b>	_____	16

#### SAC/Examination Disclaimer

I understand I must not intentionally or unintentionally disclose any details on this SAC/Examination or imply what is or is not included, or in any way gain an unfair advantage for myself over other students. If I do, I understand that disciplinary action will occur, and my result will be downgraded. In fairness to fellow students, it is my responsibility to inform the Senior School if I am aware that information about the SAC/Examination is being passed on, or that a student has gained unfair advantage.

I understand that the use of Generative Artificial Intelligence (AI) is not permitted to generate ideas or manufacture responses for this assessment. I am aware that there are consequences for doing so as per the Plagiarism and Authentication Policy.
