Around the Grounds

6A

The boys did exceptionally well in the first 13 overs of batting before drinks. But unfortunately, couldn't carry on the momentum towards the back end of the innings. They ended up with a score of 125 which was chased down by the St Pats team. Special mention goes to the wicketkeepers Harry Cootes and Harry McAuliffe, who only let through a few byes between them. Unfortunately, St Pats got the score in the 21st over, but it was a great game to finish off the season. Well done boys.

6B

Marist won the toss and elected to bowl, and of the back of 3 wins in a row spirits were high. SPC however came at Marist with the strongest batting performance they had seen so far this season as they raced to a winning total of 172. Marist went out to bat and unfortunately lost silly wickets

here and there, with Max Mulvenna steadying the ship with his 39 not out there was hope. However, we lost more silly wickets and were bowled out for 141 a great game all round.

6C

The 6Cs really stepped up their game and performed some great cricket Saturday in their final game for the season. The boys outperformed St Pats with a final score of 7/92 with St Pats achieving a score of 7/91. With this win came some stand out performances; Jack Rosenberg bowled very well and took 2/12 to close out his season. Kaleb Maye also had a good spell with consistent bowling resulting in 1/5. It was a tough job picking the best batters today with so many stand outs but Tom Bedggood, 10 runs and Felix Nolan who scored 11 runs, were the pick of the batters. All in all, it was a great way to close out the final game with a victory and some great cricket.

6 Gold

Words can't describe how incredible this game was to watch. You had to be there first hand to witness what a special game it was. Coming into the final week of our season, there were varying feelings and emotions around the playing group, knowing that it was going to be our last game, with many boys documenting how they have enjoyed the season and wishing we could keep on playing. Luca and I spoke to the boys about enjoying the moment and having fun, trying not to get caught up in the ramifications of a potential loss. The boys prepared well and trained hard. The stage was set. The final game will be remembered for the pride, passion and a determination to succeed no matter what that all the boys showed. Marist won the toss and Marshall Hair, our captain, elected to bowl. The boys bowled particularly restricting St Pats to 84 runs in the opening innings. Credit must be given to Marshall Hair, our captain, who got two wickets, Mason Irving, Josh Davis and Stanley Grellman also contributed with individual wickets of their own. Facing an uphill battle, the Marist boys came together before our openers were going out to bat and told themselves that they were not losing this game. At the drinks break, the boys had struggled to find consistency with the bat, posting only 29 runs and being down three wickets. Needing 56 runs to win off ten overs, the win looked like a long shot, but you never count out Marist when our backs are against the wall. Two of our strongest batters, Mason Irving and Stanley Grellman, launched an unexpected attack. Off four overs alone, they mustered up 49 runs in incredible fashion. Both of them were hitting the ball with incredible force and strength, hitting fours and sixes like they were nothing, with Stanley alone hitting four sixes. This brought the team back within striking distance with still five overs to go. Once Mason and Stanley retired, Jimmy Starrenburg and Hugo Dillane proceeded to finish off the St Pats boys with the team accumulating 104. The two teams then proceeded to shake hands and show terrific sportsmanship, which made the coaches from both teams proud. The boys then finished their final hurrah with an absolute belter of a war cry, symbolising their love and pride for the school. It has been an absolute honour and privilege for Luca and I to coach these fine young men. From the beginning we wanted the boys to learn and grow and improve on their game, but most importantly we wanted the boys to be respectful and courteous to their teammates and their coaches. Safe to say, the boys were an absolute delight with their being minimal problems and the boys always listening and following instructions.

The coaches wish you well in all your future endeavours

6 White
Bye

6 Green

The mighty 6 Green ended the season with a hard-fought win against SLC. Our team has gone from strength to strength this season and are a real credit to themselves as far as sportsmanship, drive and willingness to 'give it a go'.

Wicket takers this week were Caleb Van Coevorden, Joseph Richards – bowled with a caught-behind by Caleb, Callum Curtin, a run-out which combined the bowling of Matt Alvarez with the expert fielding of Matt Henselien, another run out thanks to the skilled fielding of Tomas Hammond, and the amazing bowling of Matt Henselien who took 3 wickets (3/3). Ben Gilbert had a hand in 2 of the wickets as well.

Top batters were Callum Curtin (15*), Caleb Van Coevorden (9*) and Matt Henselien (11).

Darcy Mahoney continued to field well, with Vincent Butten and Archie Engstrom also showing huge improvements with the ball. Our fearless keepers, Caleb Van Coevorden and Archie Engstrom ensured the SLC opponents were left little room to move.

My congratulations to the boys on a great season and a success they well deserved.

5A

An excellent batting display of big hitting saw St Pat's to 3/100 at drinks. These early overs proved the difference and despite season best batting from Will Silec and Will Broughton, it wasn't enough for the Marist boys to chase down the total. It was wonderful to see how far the team has come throughout the year, with plenty of positives to build on from an exciting and challenging season. Well done boys!

5B

The boys played their best game of this year, unfortunately couldn't get the win but the boys showed great Marist spirit throughout the game.

5C

Pat's had a great day out with the bat, scoring 154 with some excellent hitting and running between wickets. Although the big score, Marist bowled well - reducing wides and no balls. In the batting innings, Marist put up a hard-fought effort ending the innings on 64. The boys should be really proud of their efforts this season!!!!

5 Gold

The 5 Gold cricket team finished the season on a high with a win over St Patrick's College. St Pat's finished 6 for 63 and our MCA boys finished on 4 for 73. Our top batters for the game were Lachlan (Lucky) Graham on 13 and Isaac Long on 10. Our top bowlers were Jack Lambley and Isaac Long. Special mention to Gabriel Pua for 3 run outs, demonstrating some impressive fielding. A big thanks to all the parents for all their help with scoring and organising their boys over the season. It has been an enjoyable season and particularly good to see the boys' cricket skills developing.

5 White

With the culmination of the season over the weekend it was great to see the 5 Whites win convincingly showing us they took in all the skills and advice given to them over the last couple of weeks. We wish the boys all the best in the future sporting endeavours and hope to one day maybe coach them again.
