

**FOUNDATION INQUIRY
FAMILY HISTORY**

How has the past influenced our lives today?

Student Name _____

To celebrate our inquiry into family history the students will be preparing and creating a poster about a parent/grandparent/family friend. We request that parents assist us with gathering the information. The students are to select a parent/grandparent/family friend and ask the following questions. The students then bring the completed information to school, by Monday 8th August (week 5), where we will assist them in recording their findings on a poster. As the students will be reading and copying the information you provide, we would appreciate it if the writing is neatly printed in lower case letters and is easily read.
