

Reasons to join FORPS

You don't need to attend every meeting, but it is a great way to hear what is going on at the school and to build relationships with the whole school community. Minutes will also be emailed to you after each meeting if you are unable to attend.

When you attend a FORPS meeting you will not be locked into volunteering forever. We appreciate all and any assistance we can get. You don't have to nominate for every event and we have a number of opportunities for volunteers to take part in.

Any amount of time volunteered is of value to Rosanna

Primary. Every single minute of your time is valuable to us. We appreciate and encourage people to let us know their availability and skill sets.

FORPS is a group of parents who all want to make a positive difference to our children's school. We are all parents just like you, with children at Rosanna ranging from Preps to Year 6. We all joined FORPS to be involved in our children's school community and be a part of a great group of people.

The FORPS committee is actually only a handful of parents. We would love to welcome many more parents to FORPS to share their ideas, skills and help make a difference at Rosanna Primary.

Please consider coming along this Friday morning at 9.15, to find out more about FORPS over a cuppa and biscuit in the staff room.
