Career News 2026 – Welcome!

The Transitions and Pathways Team 2026 is excited to welcome you to *Career News 2026*! This year, we have introduced some changes to how we share important career-related information. We have created dedicated Careers Teams for each year level, where we will be posting up-to-date and relevant content on a regular basis.

As the world continues to change rapidly, we are here to support your child in developing the skills needed to be ready for the exciting future ahead. We encourage you to stay informed by visiting our website and to support your child to stay engaged and proactive in their learning as they move forward.

All students will be given time to work on their CAOs Plans (Career Action Plans) in class time. The lessons have been carefully developed to help them

All students have either been added to their respective TEAMS page or are in the process of being added, students and families will also continue to be informed via TEAMS

Meet the Transitions and Pathways Team

We are pleased to introduce the **Transitions and Pathways Team**, who are here to assist students in making informed decisions about their future pathways:

Ms. Pina Siragusano: Transitions and Pathways Leader

Ms. Siragusano leads the team and provides guidance to students exploring career and study options. She ensures that students have access to the best resources and support.

Ms. Tanishka Singh: CAPS Coordinator Years 7-9

Ms. Singh supports students through career action plans, helping them explore career options and set goals for their future pathways.

Ms. Nicole Corsetti: VET Coordinator

Ms. Corsetti oversees Vocational Education and Training (VET) programs, ensuring students have opportunities to gain industry experience and qualifications.

Ms. Patricia Walker: VCE/VM Support: Ms. Walker will work closely with the VM students to ensure they are able to follow their pathways

Ms. Kathy Karlovic: Transitions and Pathways Team Member

Ms. Karlovic works closely with students to provide information on pathways, career planning, and study options.

Additional Resources

We also have our **Careers websites**, which offer up-to-date information and valuable resources to support students in exploring their options.

We encourage both students and parents to visit these websites regularly for the latest updates:

- [WCC Careers](#)
- [Wyndham Central College Careers](#)

As always, the **Careers Centre**, located in the **Monash Building**, is a valuable resource for our students. It is stocked with current institutional handbooks, brochures, and other materials to help students explore their options. We invite students to visit, browse, and ask questions.

Our open-door policy ensures that students can access the information they need to make informed decisions about their future pathways.

Appointments can also be made for one-on-one discussions about future pathways.

Again, **important information for parents will be emailed or sent via Compass**, ensuring that you stay informed about key updates and opportunities.

If you have any questions, please don't hesitate to reach out to the **Transitions and Pathways Team**.
