PERSONALISED LABELS FOR EVERYONE!

Our personalised labels have been designed to stand up against whatever punishment your little munchkins may subject them to.

Labelling your child's belongings means you can keep track of their "stuff" but also identify items which may not be theirs.

A great way for the little ones to learn to read their name!

"Excuse me that's mine, not yours."

Personalised labels not just for children! The twist? Your name and details also in Greek!"

If your child does Greek as a LOTE then check out our Greek/English packs!

Our Iron-on clothing labels are easy to apply and stay stuck, while our sticky vinyl labels are scratch resistant, microwave, dishwasher and freezer safe..
