

# Kelly Club

## Aitken Newsletter

### Term 2, 2021

### Weeks 5 & 6

As the term is coming to an end, we wanted the children to be able to choose the themes and activities. Our first week was chosen by Klaire who loves unicorns, so we had a magical week at OSHC. The children participated in craft by making wands, fairies and unicorns and we also did a magic ice cube experiment.

Our second week was chosen by our OSHC leaders, Arya, Ethan and Aaliyah. Not only did they choose activities that they enjoy, but they also picked ones that their peers would like also. They chose to do an animal drawing competition, just dance, a movie, and a treasure hunt. The children worked as a team, demonstrated confidence, creativity, commitment and problem-solving skills. We are looking forward to having some more fun activities over the last few weeks of term!

**Reminder:** If you would like your child to attend Kelly Club on the student free day (Friday 18 June) please contact us.

Also please book in as soon as possible for the holiday program days, as all excursions and incursions have a limit on how many children can attend due to COVID.
