

We would like to acknowledge the traditional custodians of this land. We pay our respects to the elders both past, present and emerging.

PUPPET WEEK

During Puppet Week, kids unleashed their creativity by crafting unique puppets and diving into the art of puppetry. They wrapped up the week with an exciting puppet show, dazzling their audience with the stories they brought to life! We spent lots of time outside enjoying the warm weather playing soccer, swinging on the monkey bars and more!

MUSIC WEEK

Music Week was a blast, with kids diving into the world of music, learning about all sorts of instruments, and jamming to loads of cool tunes. They battled it out in our music themed games such as musical statues, musical chairs and guess that tune! We also enjoyed lots of activities run by the educators such as arts and crafts, uno and lego building.

If you have any feedback or suggestions please do not hesitate to reach out as we are always open to new ideas! This week, our menu was created collaboratively with our children and we came up with a very delicious selection! The students also enjoy a great selection of healthy fruits and vegetables! Our weekly menu follows Nutrition Australia's guidelines and is created with the children and parents. All cultural needs are considered. Any dietary requirements are to be discussed with the program coordinator.
