

It has been an amazing ending to Term 2.

- Our Year 10 students are out on work experience, and from all reports, the students are taking advantage of the opportunities provided.
- VCAA have been filming our VET students and they have been outstanding, in providing insight into the program.
- The Work Futures Expo, hosted by Heritage and Alumni Group, provided opportunities for students to talk to experts in various fields. They engaged two amazing Keynote Speakers, in Claire Madden and Thomas King.
- The Year 9 students are preparing for the Morrisby on- Line Tool Assessment. Practise testing on Tuesday.
