What's Expo all about?

Year13 Expo is Australia's biggest online careers event. Held during National Careers Week (**May 17-19**), it aims to inspire and educate young people about their post-school options. Last year over **550 schools** and **90k youth** from across Australia joined us for our inaugural Expo.

What makes this Expo different?

77% of youth believe they lack exposure to different careers. That's why alongside 100+ exhibitors, they've lined up dozens of guest speakers from a diverse range of industries.

Highlights include:

Dr Karl - Scientist, author & media personality
Stephen Scheeler - Former CEO of Facebook ANZ
Laura Enever - Pro-surfer & World Champion
Scott Farquhar - Co-Founder of Atlassian
Steph Claire-Smith - Entrepreneur & influencer
Brenton McKenna - Award-winning Indigenous graphic novelist

There's also a number of workshops to equip students with skills in resume writing, interviewing, financial literacy and more.
