Marist 5 Green 5/72 def. Padua 5 White 4/56	Gavin Snyder 2 wickets	Michael Sorbello 4 boundaries

Around the Grounds

6A BYE

6B

Sent in to bowl first. the boys started strong with a few quick wickets, before a lack of focus in the field allowed St Peter's to score more freely. St Peter's finished on 4/66 at drinks which was our most expensive first 12 overs yet. After drinks the boys were back to their bowling best to bowl St Peter's out for 100. In reply the boys continued their good batting from Iona last week to be 4/67 at drinks. After drinks the boys continued their good batting and chased the remaining runs within 20 overs. Good performance but a number of areas to improve before next week.

6C

The reign of the 6Cs continued, with Marist claiming yet another victory! Opening the batting with intensity, James Stigter set the pace of the game. Racking up an astonishing 31 runs, James punished every bad ball with a beautiful late cut or leg glance, sending the ball rocketing toward the boundary. Although the middle order crumbled to a few unlucky wickets, we persevered, taking quick singles where we could, placing immense pressure on the Villanova side. The encouragement and communication between batsmen out on the pitch was outstanding, evidencing just how much fervour and pride the 6Cs place in their batsmanship.

Even in their fielding innings, Marist continued to dominate. Controlling the outfield and limiting the Villanova side to singles early on in the innings really demonstrated how coordinated we are as a team. The wide count was exceptionally low today, and as such, all the boys should acknowledge their stellar bowling performances - it did not go unnoticed! It's spectacular to see these young men improving every single week and play cricket to their full potential. A special mention should go to Fraser Laughton for his exceptional bowling spell. Although it was his first week in the 6Cs, he did not fail to prove his worth and I am happy to see he's fitting in.

6 Gold

Another comfortable win for Marist 6Gold this season on the back of some superb batting performances. Tom Nicoletti opened the batting scoring 15 runs quickly, which allowed all the boys to come in with a sense of confidence and ability to look for runs. Xavier's four boundaries coupled with Jackson's efficient scoring led to an outstanding score of 118 which is an almost impossible score to chase down. Bowling second after a huge total the boys knew they could apply the pressure and put Padua under the pump. A few quick wickets in the first over from Jack D and some fast pace from Luca Rehli got the boys over the line.

6 White

It's great to see another win for our 6 White boys. Unfortunately, the boys faced many wides, however despite that, over half the team scored 4s, with Cormac McKenna again top batter with three 4s. Well done team.

5A

St Peter's were holding their Pink Stumps Day and the 5As were to play on a turf wicket for the first time. After a disappointing loss last week the boys were challenged to play as a team this week and the change on the field was evident from the first ball.

Pressuring the field with some quick singles and some power hitting from Aidan Field and Sam Mellifont got the total to a respectable 3/122, with most of the team remaining not out.

The boys took to the field with pink hair and pink noses and took their game to another level. Tight bowling and on field pressure had St Peter's scoring at under 2 runs an over. When their star batter returned to the crease after retiring he made a lone attempt at increasing the run-rate but "the ball of the season", a sharp turning leg break that pitched outside off, gripped and smashed into off stump, from Aidan Field sent him back to the pavilion and the game was done.

Well done boys the challenge now is to maintain the momentum for the remainder of the season.

5B

Another great win for the 5Bs! The boys lost the bat flip and were sent to bowl first. However, they managed to restrict SPLC to 44, although 38 of these runs were extras. A special shoutout goes to Jake Byrne, who was involved in 5 wickets (2 run outs, 1 catch and 2 wickets). The running between the wickets and decision-making were much better this week. With Olly Nolan's help, who scored 20 runs off his first 4 balls, the lads comfortably reached the total, losing only 3 wickets in the process. Overall, a great team performance, with everyone contributing to the result.

5C

A very strong performance from an excellent group who keep on improving and striving to be better in all areas of the game. From wonderfully sharp fielding to positive batting and running between the wickets, the 5Cs showed that they are a force to be reckoned with.

Wishing the team all the best with the rest of the season. No doubt their skills will now be taken to even higher heights under the tutelage of cricketing sensation, Mr Jones.

5 Gold

5 White

A strong batting side Villa made the boys work in the field to keep them to an achievable total. This was then followed by the boys best batting performance of the season with good running and big hits to easily catch Villanova and win the game.

5 Green

A great week on the field today. A lot of energy and positive talk was setting the tone for a great game. This week saw an improved bowling attack and some great batting efforts snagged us the win from a very evenly matched Padua outfit! Well done boys a great victory
