Foster Care

Nurturing who they are and who they want to be

Every child and young person is unique, resilient and has abundant potential.

Childhood is one of the most important times in life. It's a time for discovery, growth, exploration, and learning—a time for making connections that shape who we become.

Berry Street foster carers play a vital role in supporting a child's journey and in nurturing their uniqueness. With your time and care, you can encourage and empower a child or young person who has experienced trauma to grow, develop and feel safe.

Whether it's supporting a child to feel safe and build their trust in adults, exploring their interests and developing new hobbies, or encouraging a young person that their dreams are valid, being a Berry Street foster carer is a deeply meaningful and crucial role. And one which each carer brings their unique life experience and skills to.

If you're over 21 and can offer a child their own room in a safe and nurturing home environment, you can apply to become a foster carer.

Join our community of foster carers and help make a positive impact on a child's life.
