

## SJC Year Level Plan – Plan Template for Year 7, Semester 2

Use this template to create a curriculum area plan for a Key Learning Area that considers:

- the development and sequence of related teaching and learning units across the years
- the focus and time allocation for coverage of the curriculum content
- the balance of curriculum coverage across the school year, to support learning progression based on the curriculum continuum and reduce the risk of repetition or gaps
- other school calendar considerations.

Hints:

- Delete any year levels that are not relevant to your school context.
- Use your completed curriculum area plan to help populate or update your [teaching and learning units](#).
