Dear Parents and Carers,

I am writing to share our planned student-free days and school closure dates for 2027, to support your families to make arrangements with as much notice as possible.

We understand that student-free days can create challenges for working families. The number of days scheduled for 2027 reflects the arrangements proposed under the Enterprise Bargaining Agreement (EBA). These dates have been spread across the year to support sustained staff learning while minimising disruption to families and students' learning.

2027 student-free days

End-of-year arrangements

Primary schools: Students' final day will be **14 December 2027**. Some support staff will continue working beyond students' final day. The school office will close for the summer break on Thursday 16 December 2027.

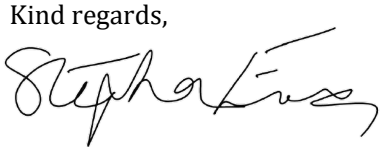

Next steps

This is our complete schedule of student-free days for 2027. We do not plan to add separate report-writing days or other routine student-free days during the year.

We recognise that families may need alternative care arrangements on these days. Our OSHC provider, BeyondEduCare, will be available on these days. Once we have finalized the enrolment process, we will provide families with all relevant details.

Thank you for your understanding and support as we plan for the year ahead. If you have any questions about these arrangements, please reach out to my office.

Kind regards,

Steve Evans
Principal
