

APPRENTICESHIP IN ENGINEERING – MECHANICAL OR FABRICATION

ATP is an internationally recognised manufacturer of Tartaric Acid, Grape Seed Oil and Grape Spirit. Our site is located near Mildura, Victoria and has experienced significant growth in recent years with several new state of the art processing plants now installed. We currently have a position open in our maintenance department for an apprentice training in Engineering – Mechanical or Fabrication.

Key areas include:

- Preventative maintenance
- Process pumps
- Industrial gearboxes and drives
- Screw and belt conveyors
- Boiler and steam equipment
- Pneumatics and hydraulics
- Pipework and valves
- Fabrication in stainless steel

Candidate qualities:

- Self directed with high attention to detail
- Must have a mature attitude, be switched on and willing to work in a busy workshop with a diverse range of team members
- Reliable, be physically fit & have a strong work ethic
- Willingness to complete overtime when required

Applications in writing, including resume, should be emailed to
The General Manager
Australian Tartaric Products
(ben.manfield@austriantartaric.com.au).

Closing date for applications is Friday 5pm, September 3rd 2021.
